

Proceeds from the STEPS Challenge 5K Run & Walk will help support MCAR's drop-in center, known as STEPS. This center welcomes all people with intellectual and developmental disabilities and provides a safe, secure environment where individuals can participate in and enjoy fun, recreational activities.

It's important to recognize that people with disabilities are valuable as individuals and should be given the same recreational opportunities as everyone else. STEPS has come to play a vital role in promoting these opportunities and in developing the physical and social health of these individuals.

Opened in 2007, STEPS is located in MCAR's Day Services and Pre-Vocation building at 850 N. Hermitage Road in Hermitage. A full array of activities are offered, including movie nights, football game parties, cooking and dance classes, special holiday parties, birthday and lunch clubs, bingo, themed events, craft activities, and much more.

In 2008, STEPS initiated one of the few clubs of the Red Hats Society chartered for women with special needs. In addition, an original counterpart club for men, called the Men's Red Suspenders Club, was started. Both clubs meet monthly and sometimes will meet jointly to enjoy special occasions, parties, and events.

While individuals can drop-in at STEPS to enjoy a game of pool, watch TV, use internet-accessible computers, play games, socialize, or simply relax, most people take advantage of STEPS' schedule of fun cultural, social, physical, and skill-building activities. Regardless of the type of activity, people come to STEPS for the fun and enjoyable socialization.

Because STEPS is dependent on funding from grants, private donations, and membership fees, your joining in the STEPS Challenge 5K Run & Walk is important to us. Your participation will help us continue to offer activities and recreational opportunities at STEPS and to keep the doors opened for this special population.
